Behavioral Health Therapist

Northwest Michigan Health Services, Inc. is recruiting a full-time Behavioral Health Therapist for our Shelby site located in the center of Oceana County. This position is part of a Patient centered health model and provides integrated behavioral health services to patients currently receiving primary care services. As a licensed clinician, the Behavioral Health Therapist will work in an integrated team-based model of care to improve the patients' psychosocial functioning and health.

NMHSI is a Federally Qualified Health Center, offering general dentistry, primary medical care and behavioral health services for all ages in a community health setting.

Qualifications

- LMSW Licensure in the State of Michigan
- Three (3) or more years practice providing mental health counseling in an outpatient setting using cognitive-behavioral therapy approach
- Prefer bilingual Spanish/English speaking
- Prefer experience in providing integrated care within medical practice setting
- Prefer CAADC Credentials for substance abuse

Northwest Michigan Health Services, Inc. is an Equal Opportunity Employer and offers a competitive wage and benefit package.
